

ANNUAL REPORT OF UJJAWAL WOMEN'S ASSOCIATION

FOR THE YEAR July 2023 - December 2023

Regular Projects

Regular projects like Computer, tuition and tailoring classes are being held regularly. Computer and tuition classes at the UWA office in Chitra Vihar and stitching and tailoring at Pandav Nagar. Tuitions are ongoing and have become very popular amongst the residents nearby.

Computer, tuition and tailoring classes are being held at various centers of UWA

Nutrition Programme

The Nutrition Programme started almost one year ago and has been running successfully and regularly. Every week nutritious food items are given to the students at the centre. The objective is to provide a variety of nutritious food to the students every week. Record of the physical progress of students is also kept.

UWA celebrates most of the festivals throughout the year. In this half yearly segment celebrations began with 15th August Independence Day, Teachers' Day, Deepavali and any such celebrations are held regularly. This way the children as well as the members get to know about our culture and society and their creativity and learning both are improved.

A very vibrant program on the occasion of **Teachers' Day** was presented by the students of our courses. This was made all the livelier by the presence of esteemed members of UWA who take part in all the activities with a lot of enthusiasm. Dr. Radhakrishnan's life story was discussed, role play was done and a short cultural programme was presented.

2nd October 2023 **Gandhi and Shastri Jayanti** were celebrated with enthusiasm. On the occasion of the birthdays of great men/women UWA generally holds a lecture, information about that particular personality is exchanged and children perform some cultural item related to the theme.

Art and collage making was taught **by interns from Amity University** at Chitra Vihar center for three months. They were there to complete their course on art and craft and for that they

were doing art teaching to NGO students which was mandatory for their course work.

Participation in Shilpa Kala Utsav

UWA members have been actively participating in the programmes of Head Office. Shilpa Kala Utsav is one such programme where four of our members, Kavita Singhal, Vibha Bhushan, Sushil Nigam and Vasundhara Gupta put up their stalls of self-made goods. Some members also helped in organising the *utsav* by way of helping out through the committees.

UWA members attended **RJS Amrit kal ka Sakaratmak Bharat Mahotsav** at Rajendra Bhawan. A write up showcasing the activities of UWA was brought out in the book published by RJS PBH Media House on this occasion.

While **UWA members are active throughout the year** doing voluntary work in their respective areas, special mention can be made of Ms. Deepa Shukla and Ms. Jyotika Kalra. Ms. Shukla attended the North Zone meeting held at Pathankot on 2nd September 2023 and Ms. Jyotika gave a lecture on 33% Reservation for Women at the AIWC-TVPM Webinar Series on Nari Shakti Vandan Adhiniyam.

An awareness session on **Renewable Energy and Energy Efficient Technologies** was organised on 20th October 2023 by Ujjawal Women's Association in collaboration with the All India Women's Conference (AIWC) and the Energy Efficiency Services Limited (EESL). Energy Efficiency Services Limited (EESL), an entity under the Ministry of Power is a super Energy Service Company (ESCO) which enables consumers, industries and governments to effectively manage their energy needs through energy efficient technologies. More than hundred participants were there, mostly youngsters. The seminar was successful in creating awareness about energy conservation and the reduction of carbon footprint as also in fostering a sense of responsibility and environmental consciousness among the participants, particularly amongst the young individuals who participated in the interactive session enthusiastically.
